

# Low Carbon, Low Cost

## Renewable Energy—Free Breakfast Seminar

### Are you aware of your legal obligations concerning renewable energy?

Simon Robinson, of Lucion Energy is offering this unique chance to open the Pandora's box that is the renewable energy market.

### Are you missing out on potential Government incentives for installing renewable technologies?

Managing Director Charles Pickles is on hand to explain the ways you could save money on renewable energy.

Every Wednesday from

1st September 2010:

9:00—10:00am

**Contact Us:**

enquiries@lucion.co.uk

(0191) 4618 999

Spare us an hour over fresh coffee and pastries and let the [Lucion Energy](http://www.lucionenergy.co.uk) team provide all the information you may need about:

- The latest legislation / planning instruments and the Government's plans for renewable energy
- The current incentive regime and an overview about how to obtain funding
- An overview of the renewable technologies currently available and expert advice regarding the suitability of these solutions for your future projects

With Lucion Energy at hand, you no longer need to worry about energy costs and legal obligations over renewable sources.
